Fiscal Year: 2008

90 Day Past Due Statement (up to 7,000 characters)

The University of Texas at Arlington utilizes the following methods to collect the fees, fines, and penalties that are more than ninety days past due:

- (1) Transcript holds are placed on all past due accounts.
- (2) Various delinquent notices are mailed to students.
- (3) Monthly account statements are mailed, with assessment of delinquent accounts receivable fee.
- (4) Students who owe prior semester debt, regardless of the age of the debt, are required to pay all past due amounts, plus the minimum required current semester payment to prevent withdraw for non-payment in subsequent semesters.

Write-off occurs when a student is no longer enrolled, and any portion of the student's account is past due 90 days. Upon write-off, transcript and enrollment holds are placed on student accounts, and they are submitted to a collection agency, with collection fee assessment. Each collection agency maintains the account for one year, credit bureau reporting, and returns the account to the university after one year of no activity. The university continues submitting the student's account to a total of five agencies, until the debt is collected. Debt in excess of \$250, not collected by collection agencies, is forwarded to the Office of General Counsel for litigation.
