

ADDENDUM 2

DATE: April 26, 2022

RFP NUMBER: UTA2022-014

RFP DUE DATE: May 12, 2022

The following changes and/or clarifications are hereby incorporated into the RFP. Your proposal must reflect the following:

Add:

5.3.6 – Power wash entire building including non-stucco portions. This would be best done before the repairs are done to better see all cracks.

5.3.7 – Project includes re-sealing all windows in stucco areas.

5.3.8 – Contractor to provide portable toilets for workers.

5.3.9 – Contractor to erect canopies or other materials to protect safe ingress/egress to/from the building.

Note: If any additional work is discovered during project (such as but not limited to rotten wood underneath siding), contractor to reach out to University contact for further instructions.
