

ADDENDUM 2

DATE: January 12, 2023

RFP NUMBER: UTA2023-012

RFP DUE DATE: January 31, 2023

The work awarded for this project will be contracted as an addendum to the MSA the vendor has established with The University of Texas System (as coordinated by the UT System Audit Office). The UT System Audit Office will provide procedural guidance for all vendors and institutions as soon as all MSAs are fully executed. That should occur by 1/20/23. Although it is not expected that the guidance would significantly impact responses being prepared for this solicitation, we ask that no proposals be submitted until the guidance is issued. We will update this solicitation at that time if this guidance impacts this solicitation and/or the submittal process.

The following changes and/or clarifications are hereby incorporated into the RFP. Your proposal must reflect the following:

The Submittal Deadline, as stated in Section 2.1 of this RFP is being extended as follows:

From: January 31, 2023 at 3:00pm CST

To: February 15, 2023 at 3:00pm CST

PLEASE SUBMIT WITH YOUR PROPOSAL
