Accessing ProCard Reconcile Statement Screen

The purpose of this job aid is to explain how users can navigate to the Reconcile Statement Screen for ProCards.

The ProCard Reconciler and Approver (Reviewer) are responsible for taking appropriate actions on the Reconcile Statement Screen by the stated deadline in ProCards emails sent by the BATraining Listserv. Users can opt into BATraining Listserv messages from the Knowledge Services Site.

1. To reconcile the ProCard statement, navigate to the Procurement Operations Homepage and click the Reconcile PCards tile.

Alternatively, navigate to the Reconcile PCards using the NavBar: NavBar > Menu > Financials > Purchasing > Procurement Cards > Reconcile > Reconcile PCard Statement.
2. **The Reconcile Statement Search** page is displayed. This page provides several options for performing a search. To search for a specific cardholder, search by the Employee ID, Name, or the last 4-digits of the cardholder’s Card Number.

   A. When using the Employee ID or Name, use the **magnifying glass** by either field to access the Search Results Table. This displays a list of Cardholder’s names for which a user has Proxy authority. To reconcile, select the Name or Empl ID of the Cardholder.

   B. When entering the Card Number, only the last 4-digits are needed.

   C. The Transaction Date will default to the previous 90 days. If necessary, modify the transaction dates to capture the entire period to be reconciled.

   D. Once the search criteria is entered, click the **Search** button to view the Cardholder’s Procurement Card Transactions.

3. **The Procurement Card Transactions** page is displayed. This page displays the cardholder’s Empl ID, Name, the last 4 digits of the cardholder’s bank card, and the ProCard charges for a specific billing cycle. The initial Status of each transaction is “Staged” for Reconcilers. This status indicates that the ProCard statement from the bank is loaded into the staging table and ready to be reconciled. For Approvers, the status will be “Verified.” This status indicates that the ProCard statement has been reconciled and awaiting final review and approval.
