

NOMINATION FOR SPECIAL MEMBERSHIP IN THE GRADUATE FACULTY OR EXTERNAL COMMITTEE MEMBERSHIP

Nominations require the approval of the Chair of the Graduate Studies Committee and final approval by the Office of Graduate Studies. This nomination must be accompanied by a current vita.

Check here to nominate a person for Special Membership in the Graduate Faculty. Special membership is to be used for visiting or part-time faculty, tenure track All-But-Dissertation (ABD) faculty, UTA Emeritus faculty, and qualified persons serving in non-faculty positions. Membership is valid until the person is no longer affiliated with UTA. Indicate below whether this is the nominee's initial (first) nomination or if the nominee needs to renew previously granted Special Membership after a break in their employment at UTA.

Initial Nomination

Renomination: Date of first appointment as Special Member:

Check here to nominate a person for an External Membership on a master's or doctoral supervising committee.

External membership allows an expert in the area of a specific student's thesis or dissertation research who is not employed by UTA to serve on that student's committee. An external member may only serve on the committee of the student identified below and membership ends when the committee finishes its work. Separate nominations are required for each committee on which an external member might serve.
