

Instructions for Milestone Conditions Update (MCU) All Graduate Students Form

When a student is "Passed with Conditions" or Failed on a Final Master's Examination, Diagnostic Examination, Comprehensive Examination or Dissertation Defense and needs to meet certain criteria and/or complete specified remedial work to unconditionally pass, this form must be completed with the results of the evaluation of the work to resolve those conditions so that it can be made part of the student's permanent academic record.

- Complete the Milestone Conditions Update form in its entirety
- The Committee Chairperson/Supervisor will record the result of the conditions and the Committee's recommendations
- Acquire (typically done by Chairperson/Supervisor) **REQUIRED** signatures from
 - Chairperson/Supervisor
 - Graduate Advisor
 - Student
- The Advisor/Coordinator will need to **email** the completed form to the Office of the Registrar via gradteam@uta.edu
- Student must also submit thesis/dissertation and supplemental documentation to the library

The Office of the Registrar **must** receive this report before final grades post and after each administered examination, regardless of the outcome of the examination. An unconditional pass is required for the Final Master's Exam and the Dissertation Defense before degree can be conferred.

All graduate students must be aware of requirements, components and deadlines associated with the thesis/dissertation, final defense, and submission of the thesis to the Library.
