We would like to invite you to a two-hour workshop on international recruiting and alliances to be conducted in the Red River Room, University Center, on 30 October 2001, from 1:30 to 3:30 PM. The Graduate Recruiting Advisory Board, the Graduate School, and The Texas International Educational Consortium (TIEC) are co-sponsoring this event. This workshop is intended to inform deans, chairs, program directors, and graduate advisors about external resources and opportunities that can provide a continuing stream of international graduate students. Please make reservations by 22 October 2001 with Jennifer Knight at extension 3186 or by e-mail at [jennie@uta.edu](mailto:jennie@uta.edu).

This workshop will examine the realities of recruiting international students, including resources, international competition, visa issues, and critical factors that influence a prospect's choice to attend UTA. Members of TIEC will provide an overview of their services and of the support they provide member universities. They will also discuss how we can partner with them on international projects that may bring graduate students to UTA. The Graduate School and Jim Quick will also provide a special look at some international recruiting models that are providing students to both masters and doctoral programs at UTA.
