Non Fixed Seating
(Seats are NOT to be rearranged as that will interfere with designated seating locations and maintenance of social distancing)

Arrival
Faculty

- Wipe down your work space and discard wipes in the trash can.

Departure
Faculty
- Using a hand wipe, prop open the door so students don’t have to touch the knob.
- Ask students closest to the exit to leave first to maintain 6 ft distancing

Students
- Those closest to the exit leave first while maintaining 6’ distancing.

Faculty/Student follow-up discussions
- Since classrooms need to be vacated at the scheduled end-time to prevent overcrowding by students asking questions of faculty and incoming class students, faculty should make a special effort to end right on time. If students are expected to ask questions after class, faculty need to incorporate this time into their course so as to not go over the allotted time.

Non Compliance
Faculty
- Faculty are responsible for encouraging students to follow the university’s safety protocols.
- If students refuse to comply, faculty should notify the Office of Student Conduct (conduct@uta.edu, 817-272-2354). Faculty may end class immediately and leave the room.
