

Entering Final Grades into Canvas

Key Highlights

- All grades must be entered as letter grades. Capitalization is not a concern.
- If both entered correctly, the Letter Grade and “F” Justification Code will migrate to your MyMav Grade Roster during the scheduled grade extractions.
- After the extraction(s), Instructors are to verify grades migrated properly and set the Approval Status of the MyMav Grade Roster to “Approved”. The default is “Not Review”.
 - This action acts as to self-verify that all grades and “F” justifications have been successfully entered or migrated into MyMav. In turn, this lets our office know the grades are ready to be posted official.

- Letter Grades for each student are entered in either the **MyMav Final** column.
- “F” Justification Codes are entered in the **MyMav Attendance** column.
 - To ensure we are compliant with U.S. Department of Education regulations, all UT Arlington faculty are required to include additional data when recording an “F” for a student’s grade in MyMav.
 - One of the following options must be selected to clarify why the student earned an “F”:
 - **FA** (MyMav Code A) – Stopped attending as of “_____” (*date last attended required*)

- FC (MyMav Code C) – In attendance/Performed Poorly
- FN (MyMav Code N) – Never attended or participated
- To enter the *date last attended* for a student, select **People** from the **Course** menu.
 - Click on the **Student Name** in blue.

- On the student's info page, scroll down to the box labeled **Last Day Attended**.
- Clicking on **the box** will open a calendar where you can select the date last attended by the student.
