

GRADE ROSTERS: VIEW BY PAGE OR VIEW ALL STUDENTS

Key Highlights

Grade rosters are set to list 20 students per page. If you have more than 20 students in a class, you will need to go to each page to enter grades.

By selecting the **View All** (found at the bottom of the roster), you can view up to 100 students per page.

The screenshot displays the 'Grade Roster' interface for the class MUSI 4325 - 001 (82296) during the 2021 Fall semester. The interface includes a 'View FERPA Statement' link, a 'Change Class' button, and a table with columns for 'Days and Times', 'Room', 'Instructor', and 'Dates'. Below this, there are 'Display Options' and 'Grade Roster Action' sections. The 'Student Grade' table is shown with columns for 'ID', 'Name', 'Roster Grade', 'Official Grade', 'Justification for F', 'Grading Basis', 'Program and Plan', and 'Level'. A 'View All' link is circled in red, along with the 'First 1 of 1 Last' navigation controls. At the bottom, there are buttons for 'Select All', 'Clear All', 'Notify Selected Students', 'Notify All Students', 'Printer Friendly Version', 'Save', and 'Sync From Canvas'.
