

## **Student Acknowledgement and Acceptance of STEM Doctoral Research or Teaching Assistant Fellowship**

Please read and acknowledge acceptance of the following.

I understand that all tuition and fees will be billed initially. I understand my Doctoral STEM Research or Teaching Assistant Fellowship will not pay all tuition, fees, fines and other charges charged to my student account.

I understand that if I become ineligible (appointed less than 50% time, less than full time enrollment or change my degree plan) during the course of the semester in which the fellowship applies, tuition that was off-set (waived) by the Fellowship must be paid by me.
